THE DOCTOR'S QUESTION.

Much Sickness Due to Bowel Disorders.

A doctor's first question when consulted by a patient is, "Are your bowels regular?" He knows that 98% of illness is attended with inactive bowels and torpid liver, and that this condition must be removed gently and thoroughly before health can be restored.

Rexall Orderlies are a positive, pleasant, and safe remedy for constipation and bowel disorders in general. We are so certain of their great curative value that we promise to return the purchaser's money in every case when they fail to produce entire satisfaction.

Rexall Orderlies are eaten like candy, they act quietly, and aid in producing a soothing, strengthening, healing influence on the entire intestinal tract. They do not purge, gripe, cause nausea, flatulence, excessive looseness, diarrhoea, or other annoying effect. They are especially good for children, weak persons, or old folks. Three sizes, 10c., 25c., and 50c. Sold only at our store—The Rexall Store.
