How Little Things Count

Here is a Dime. Save it. Not a large amount, you say? No, you're right, yet it represents ten per cent. interest on one dollar for a year. It's the little things that count in this life. History tells us that the Duke of Wellington attributes the victory of the Allies at Waterloo to the closing of the Hugomont Castle gates by James MacDonnell and John Graham. It was a small thing. But the results have been marvelous as we look back over the intervening years. Philip D. Armour knew the value of little things. They say he packed everything but the last breath of a hog—utilizing the waste in the manufacture of by-product—made him wealthy. The small boy by sticking his finger in the leak in the dam saved Holland from devastation. A few drops of water on a stone make no impression—the constant drip wears away the stone. The little point on the auger prepares the way for the large bored hole. A single grain of corn produces from one to two perfect ears. And so the LITTLE DIME is a part of a dollar. Dollars at interest produce dollars just as surely as the seed sown on rich ground brings forth an abundant harvest. Then save the DIME. Watch it grow.

FANCY ENTERTAINMENT WILL BE GIVEN AT THE LAKE.

December 13 Set as Date for Next Lyceum Number.

The Hot Lake management has announced the next attraction on its lecture course, December 13.

No company of entertainers handled by the Meneley Lyceum bureau during the last five years has given more general satisfaction or escaped with less adverse criticism than has this family of genuine entertainers.

The company consists of two sisters and three brothers all artists—each in his line. Miss Marie Ricketts and Miss Myrtle Ricketts are a flutist and violinist respectively. Both are pianists. Master Clyde Ricketts, first violinist and Mr. George Ricketts, cellist, never fail to make friends with their audiences. They are both fine soloists.

Mr. C. L. Ricketts, impersonator and manager of the company, is well and favorably known throughout the country, having traveled with the Meneley quartette for eight years. Few readers have been so enthusiastically received by the public as has Mr. Ricketts.

"PARISIAN SAGE is the best hair grower and beautifier and dandruff cure. I lost all my hair through typhoid fever; I was almost baldheaded and my scalp was as sore as could be. I tried everything, but in vain. Finally I tried PARISIAN SAGE, and after using one bottle my hair started to grow, and has grown three or four inches inside of two months. I advise every woman who wants beautiful hair to use PARISIAN SAGE"
