## OREGON APPLES SCORE A HIT

LAND SHOW AT CHICAGO TASTES APPLES.

Richardson and O'Neill the Principal Speakers Yesterday.

(By U. S. Land and Irrigation Exposition.)

Chicago, Ill., Dec. 8.—(Special to the Observer)—Oregon apples scored a big hit yesterday when visitors to the big land show at the coliseum here were each presented with one of the big luscious prize winners by the officials of the Union-Southern Pacific railroads.

The apples had been sent to the show by Oregon growers who were anxious that their fruit should be put into the mouths of as many Chicagoans as it was possible to reach in one day.

The program of speeches and music which has been prepared was given in one of the Union-Southern Pacific halls. J. H. O'Neill, acting as Governor West's personal representative, and Tom Richardson of Portland made the principal speeches and pounded home in the minds of his auditors the fact that Oregon is the best and fastest growing state in point of population and wealth per capita of any in the union.

### WOMAN FORGER IS CAUGHT.

Woman Who is Thought to Have Worked Here Arrested in Montana.

Mrs. M. N. Armstrong, alias Mrs. J. W. Wright, alias Mrs. Ellen Brown, alias Mrs. Leonard, alias Marie N. Pangborn, said to be the woman who got away with several bad check ventures in this city about two months ago has been arrested in Anaconda, Montana, and is a Spokane woman according to newspaper advices from Spokane. The woman is identified by F. D. Halsten and his clerks through a picture published in a Spokane paper a few days ago. Not long since she

purchased a fairly good order of goods and presented a check of about \$50, saying her husband would call for the purchases in a few moments. She got a nice handful of change and disappeared—the husband story was of course a myth. The People's store

was also listed as a victim of her bad check schemes and in other stores of the city did she try to get rid of checks. She got out of town that night, however, and no trace of her has been found until the halfpenny appeared in a Spokane paper and news items

tell of her arrest in Montana still trying to work the bad check business. While here she wore goggles and had all the appearance of an honest individual.

You will find that druggists every-

where speak well of Chamberlain's Cough Remedy. They know from long experience in the sale of it that in cases of coughs and colds it can always be depended upon, and that it is pleasant and safe to take. For sale by all dealers.
