

At first a curiosity; then a luxury;
then a great convenience; now
almost a necessity

That is the history of the electric light—the greatest invention of the last century. A perfect light without one bad feature. The most remarkable thing of all is: that while the prices of most necessities have greatly advanced, the cost of electricity has been steadily reduced.

No matter how humble your circumstances, electric lights are within your means. There is no reason why you cannot enjoy them. Phone Main 34 for rates.

HUFFMAN AGAIN LEADS GRANGE

UNION COUNTY POMONA GRANGE
HOLDS MEETING.

Speakers From All Parts of County
Attend—Election of Officers.

A large crowd of enthusiastic grangers assembled at Blue Mountain Grange hall on Saturday, the 9th to attend the regular meeting of the Union County Pomona grange. In the election of officers C. D. Huffman was unanimously re-elected as master. The other officers are: W. F. Gekeler, W. O.; M. L. Carter, W. L.; N. Daron, (Mt. Fannie grange) W. S.; Fred Young, (Riverside) W. A. S.; Mrs. R. A. Wilkerson, W. C.; Hattie Eckley, Treasurer; Mattie H. Golden, secretary; Geo. South (Medical Springs, G. K.); Mrs. Geo. Wade (Summerville), Flora; Mrs. Geo. Miller, Pomona; Mrs. Cindia South, Care; Alex Robertson, chorister, and the executive board are John Lewis, Jr., Phillip Thompson, Geo. Miller, Mattie Golden and C. D. Huffman.

The reports show not only a large increase in membership but also new local organizations, which shows that Union county has done its share in securing a gain of over a thousand members in Oregon since the last state session held in May. E. H. Flagg, editor of the Elgin Recorder and granger and public worker of Oregon was one of the leading speakers of the day.

Mrs. Addie Grout in her usual pleasing manner welcomed the visitors to Blue Mountain grange, and was responded to by M. L. Carter, who said in part: "We are glad to be with you today and to know that the subordinate granges of our own county are prospering and growing. The first granges in the county were organized about the year 1872. The Cove organization held their meetings in the old Morrison church. The first master was the Hon. M. B. Reese. Among the members were John Quincy Richardson, Boswells, Kennedys, Cochrans, Mrs. Hendershott and T. T. Geer. The first master of the La Grande grange was M. Baker. This grange movement lasted about ten years and this hall was built during that period and it stands as a monument to the first grange activities of Union county. In later years this grange was revived and the other granges of the county were organized by officials from this grange. So we consider this the parent grange of the county.

When the county grangers gather at this celebrated hall From the valley and the mountain glen We feel just like the prodigal Who wandered far away Returns to see the old folks once again."

The program was unusually interesting. Dr. Gillilan was present and spoke on the chautauqua and in behalf of the management asked that a grange day be held during the coming session. The county grangers voted to hold another fair in 1912 and will make necessary arrangements at the next meeting. The next Pomona grange meeting will be held in Cove with Mount Fannie grange on the fourth Saturday in March, 1912.

Move Up, Please

You have asked yourself, "Why does the man next to me advance?" You think you work as hard as he, and you do. You earn as much, too. Good, so far. But you SPEND MORE! There's the difference. Simmer it all down and it becomes a matter of training. Training in habits of thrift. One large eastern manufacturing company marks those men for promotion who have shown ability to save money. The savings book with the bank is by far the best evidence to this end. It tells exactly how the saving ability has been cultivated. The saver proves his ability to manage his own business. No wonder his employer marks him for advancement!
