WALTHAM COLONIAL SERIES,

Walthams of the Colonial Series represent the last word in watch-making. They are made as thin as it is safe to make a reliable watch. They possess great beauty and will give a life long service of accurate time-keeping. We are headquarters for fine Waltham Watches. All grades at a wide price range—each grade the best at its price.

Move Up, Please

You have asked yourself, "Why does the man next to me advance?" You think you work as hard as he, and you do. You earn as much, too. Good, so far. But you SPEND MORE! There's the difference. Spend it all down and it becomes a matter of training. Training in habits of thrift. One large eastern manufacturing company marks those men for promotion who have shown ability to save money. The savings book with the bank is by far the best evidence to this end. It tells exactly how the saving ability has been cultivated. The saver proves his ability to manage his own business. No wonder his employer marks him for advancement!

JOSEPH FINDS BLACK MARBLE

SOME BELIEVE THEY HAVE SOMETHING OF GREAT VALUE

The Companies Are Now Investigating the Merits of the Stone.

Joseph Lefel, the new game warden for Wallowa county was in La Grande on his way home from a place where he had been on business. He informed the Observer that he had found in the Joseph country for some time is the new black marble which is superior in quality and takes a better polish than the famous Italian marble. He had several samples with him and they showed every claim for the stone.

It is an advanced step taken by the lime company of that city to develop this marble bed and already a number of Portland capitalists are in Wallowa county making extensive investigations.

"The architect for the Journal's new building in Portland is in Wallowa county now," remarked Mr. Lefel and it is very likely the stone will be used in trimming the Journal building. He is the same man who built the Yeon building and he was much elated over the samples of the stone exhibited.

Mr. Lefel an associate organized something over a year ago for the purposes of exploiting a lime dyke near Joseph and that has been successful. But it is now found that the black marble is even of greater value than the lime.

Saved His Wife's Life.

"My wife would have been in her grave today," writes O. H. Brown, of Muscadine, Ala., "if it had not been for Dr. King's New Discovery. She was down in her bed, not able to get up without help. She had a severe bronchial trouble and a dreadful cough. I got her a bottle of Dr. King's New Discovery, and she soon began to mend, and was well in a short time." Infalible for coughs and colds, it's the most reliable remedy on earth for desperate lung trouble, hemorrhages, la-grippe, asthma, hay fever, croup and whooping cough. 50c, \$1.00. Trial bottle free. Guaranteed by all druggists.
