

SANTA CLAUS

at THE PEOPLE'S STORE

Saturday, Dec. 16 and All Next Week

He writes that he has heard of the nice new stock of Holiday Goods and Toys we have put in, and of the very reasonable prices at which we are selling them, and thinks we are entitled to his presence this year. He will hold a reception for the good little boys and girls of La Grande every afternoon from two to five o'clock in our TOY DEPARTMENT.

He has promised to have a nice little present for all the GOOD children of six years and under, who come to these receptions accompanied by their mamas or papas. He will also be glad to take the children's orders for what they want him to bring them for Christmas, and if any of the little ones are sick or can't come, he wants them to send their letters for what they want by papa or mama, so they won't be overlooked.

EUGENE WOOD COMING

NOVELIST AND MAGAZINE WRITER TO TALK.

Will Conduct Lecture in High School Auditorium.

Eugene Wood, the noted novelist and magazine writer will lecture here December 18th at the high school auditorium on "How We Are Gouged."

Mr. Wood, who is the author of "Folks Back Home" and whose humorous stories are pictured in most of the magazines is now devoting his energies to propagating socialist ideas from the lecture platform. His success in this field promises to be as great as that which he has attained in journalism. He has a strong resonant voice and though a literary man by trade, has often addressed factory

meetings at the noon hour. Mr. Wood's address is the first of a series of five lectures which are to be given in the high school auditorium December 18th under the auspices of the National Socialist lyceum bureau. The socialist local here is putting forth herculean efforts to make these lectures a huge success in hopes that they will be the means of doubling the strength of the socialist movement in this city.

Sincerely Yours,

M. M. MARQUIS.

Lyceum Secretary.
