SHIP LEAD IN CARLOAD LOTS

C. O. RAMSEY CLOSES DEAL WITH OHIO FIRM.

Carload Shipment of Lead For Local Consumers Coming This Winter.

Importation of lead in carload lots for distribution to fruit associations and individual fruit growers of the Grande Ronde valley will become a reality for the first time next year. H. N. Lyons, representing the Gracelli Chemical company of Cleveland, Ohio, has been in the city for several days closing arrangements with C. O. Ramsey and company who will ship in a carload lot of Gracelli lead and distribute it in this district. This insures shipment of lead at carload prices enabling the local distributors to quote small lot prices below any former quotation.

Heretofore it has always been necessary for the actual consumer of lead in spraying purposes to pay high prices because the quantities were handled in small lots by distributors. "You will find that your orchardists will realize profits in the buying of lead from the Ramsey company next season as compared to former years," affirmed Mr. Lyons before leaving the city. "Our arrangements with Mr. Ramsey make it possible to get the lead to the consumer at the lowest possible quotation this far from the factory. The quality you will find is high grade and prices will be a big factor to the users."
