JINKS PLEASE GUESTS

(Continued from page five)

to try out for some sort of athletic team, always remembering to "play fair."

The after-luncheon entertainment got under way with a compound of college songs well rendered by "Heine" Heldenrich, Eugene Good and Harold Grady. "Oregon From the Standpoint of a Freshman" was discussed upon by Mr. Good, he pointing out the fact that hazing has entirely disappeared; Charles (Shrimp) Reynolds, O. A. C. dwelt upon the relations of an athlete to other athletes; George H. Currey, Jr., in appearing for Willamette university, recited the history of the B. M. A., which was the father of the social gathering and lauded the association from the standpoint of a charter member. He has now left its fold by reason of absence from the city; Harold Grady explained the vent holes for underclass spirit at Oregon that have taken the place of hazing, and elucidated on the recent trip of the Glee club, urging every prospective student at any college to prepare his talents that the Glee club may become one of his regular attainments; Glen (Poe) Caylor, coach of this year's football team went over the season hurriedly, lamenting the fact again that Pendleton would not accept La Grande's challenge; the present high school basketball team was the theme of a brief address by Russell Ralston, captain of the squad; Prof. Neubauer, last year of the local faculty, but now principal at Oakland Oregon, figuratively kicked himself because he in his college career, tried to excel in too many phases of non-academic departments, hence did not excel in any—centralization of energies on one thing is the better method, he remarked. In closing the speech program, Prof. Carruth of Stanfield broke the ice and paved the way for the passage of the resolution touching upon athletic relations at O. A. C. and Oregon and after discussions on the subject by Dr. G. W. Zimmerman, Joe Williamson (Oregon) and others, the club and its guests adjourned until next Christmas holidays after unanimously passing the resolutions referred to.

Those whom were gathered about the festal board spread before them by "Gene Selder, were Dick Melville, Prof. Neubauer, Oakland, Bill Bohnenkamp, Poe Caylor, Willie Pearce, Lee Reynolds, Charles Reynolds, Dr. Geo. W. Zimmerman, G. H. Currey, Jr., Olaf Group, Scot Wheatley, Roy B. Currey, W. F. Blanchett, Fritz Lottes, Cecil Bolton, Prof. Carruth, Joe Whitby, John Ruby, Will Ruby, Roy Rice, Walter Young, James Stoddard, Howard Richardson, Lowell Williamson, Joe Williamson, Henry Heldenrich, Eu-

gene Good, Harold Grady, Russell Ralston, Clarence Garrity, Tracey Wade and A. W. Nelson.

BLANCHETT FALLS TWICE.

Deadly Hammerlock Applied With Alacrity by Lottes at Club Bout

Last evening at the B. M. A. quarters in Honan hall, Fritz Lottes, the club's Zhszko, threw W. F. Blanchett of Hot Lake in two straight falls. The first fall came after six minutes and 30 seconds when Lottes applied the deadly hammerlock and the second fall came in 45 seconds when the same twister was clapped on Blanchett. A exhibition of the various holds and their escapes were gone over following the falls. Both men wrestled clean and sportsmanlike, Blanchett introducing a rather unusual mode of attack leading to the referee's hold. The Hot Lake grappler took a bunch of punishment before the first hammerlock hold was declared sufficient. Blanchett is a brother of the famous Dell Blanchett, champion roper and bull dogger.

To the edification of the Young Men's club of the Baptist church, the club members themselves, and the college youth who were among the invited, "Fat" Richardson B M A and "Jlimmie" Stoddard (unattached) provoked genuine amusement and put up a better exhibition of mixing with the gloves than any professional event seen in this city for many years. The side splitting event was loudly applauded. A rather more scientific bout was that of Pearce (B. M. A.) and John Ruby (B. M. A.) who pranced around the arena was considerable science. "Doc" Zimmerman was the third man on the mat in all the events. As a prelude to the evening's amusement Rice (B. M. A.) and Pearce went through the tumbling game with considerable success. The event from start to finish was pronounced highly satisfactory. Two numbers were cut because of unforeseen circumstances, one of them being the bout between Murray of Hot Lake and Pearce of the club.

Saved His Wife's Life.

"My wife would have been in her grave today," writes O. H. Brown, of Muscadine, Ala., "if it had not been for Dr. King's New Discovery. She was down in her bed, not able to get up without help. She had a severe bronchial trouble and a dreadful cough. I got her a bottle of Dr. King's New Discovery, and she soon began to mend, and was well in a short time." Infalible for coughs and colds, it's the most reliable remedy on earth for desperate lung trouble, hemorrhages, laryngitis, asthma, hay fever, croup and whooping cough. 50c. \$1.00. Trial bottle free. Guaranteed by all druggists.
