WALLOWA FIVE BEATEN 44, 4

LA GRANDERS GO ON TO ENTERPRISE TONIGHT.

With Broken-up Team Visitors Walk Over Homers—No Fouls Called

Wallowa, Dec. 29.—(Special) — La Grande swamped Wallowa high here last night with its 1911 vim. Final score, 44 to 4. Bohnenkamp, center on the visiting team, scored 22 of the points, Woods coming next with 12 points. With a low ceiling and a slippery floor the visitors were somewhat handicapped at the start but soon got into the swing of the thing and before the first half was over had things going their own way. Hamilton, the star member of O. A. C.'s quintet three years ago refereed the game and was not obliged to call a single foul on La Grande players, and the Wallowa fans were well pleased with the behavior of the locals.

The team was broken up to give the members as much rest as possible for the more strenuous game tonight when the crack Enterprise team will be taken on. Woods played forward one half, and Reynolds played the other forward position during the entire game. Woods moved to guard in the second half and Ralston rested for tonight's game, while Crawley took Wood's place.

Roberts rested the entire game, but goes in tonight. Kall comes over from La Grande this evening to let Bohnenkamp rest for tomorrow night's contest when Reynolds will again take his position to supplant Woods who goes home.

The score by detail was: Bohnenkamp, 11 field baskets; Woods, six; Reynolds one; Crawley three; Ralston one.

This is a progressive age, not only in finance and science but in the physical welfare of the human body. We come to realize more as time passes that in order to keep the mind up to full efficiency the physical must not be neglected. I do not need to tell you that in order to properly assimilate the food taken into the body that the teeth and mouth plays a very important part and should be kept in the best possible condition both from sanitary and mechanical standpoints.

The conscientious and competent dentist will use every effort to keep the oral cavity of his patrons in the pink of perfection—ask him how to do it.

J.E. Stevenson, D.D.S.

Resolved that I have put up with dim, smoky oil lamps long enough --that I want a light that I can see by; one that I won't have to clean and fill and bother with; one that is always safe and reliable --that I will start the NEW YEAR right, by using electric lights.

HUNT COMING CELEBRATED

WALTER M. PIERCE AMONG THOSE PRESENT.

Program Last Night at Baker to Honor Coming of White Men.

It is fitting that Walter M. Pierce, manager of Hot Lake Sanatorium should be on the program which was celebrated at Baker last night in honor of the centennial of the coming of the Hunt party to this section of the state for Washington Irving makes explicit reference to Hot Lake long before Mr. Pierce or anyone had conceived the notion of making it the Hot Springs of the west. Mr. Pierce was among those who participated at the celebration and the program of evening carried out in Nevius hall at Baker last night, was:

Referring to the event, the Baker Herald of yesterday remarks:

Everything is in readiness for the celebration of the one hundredth anniversary of the coming of the first white man into this territory, at Nevius hall this evening.

There have been a number of arrivals of men conversant with the early history of the state who will participate in the program tonight. No fixed program has been arranged but each speaker will devote himself to reminiscences of the early history and struggles of those who blazed the trail across the frontier country which was to develop a country vast in its mineral, timber and agricultural resources.

Among the prominent pioneers who are already in the city to attend the meeting are:

- George H. Himes, Portland. T. C. Elliott, Walla Walla. Stephen A. Lowe, Pendleton. Hon. Walter A. Pierce, Hot Lake. The distinguished guests were entertained at lunch in the Dutch room of the Geiser Grand at noon after which they were taken in automobiles to visit Ogden's Fountain on the Dan Shaw ranch, and to visit the camping ground of Wilson Price Hunt as he traversed this country one hundred

years ago today.

Tonight the guests will be entertained at a banquet at the Geiser Grand. Charles H. Breck will preside. There will be no formal talks, but a few informal remarks will doubtless be given.

The principal exercise which are open to the public will be held in Nevius hall tonight beginning at 8 o'clock Judge William Smith, a pioneer himself, will preside, when the addresses will be given. No program has been arranged but each speaker will be free to talk on pioneer days as he remembers them.
