UNION LOYAL AFFIRMS MAYOR

MAYOR-ELECT WARM IN PRAISE OF CONSTITUENCY.
Experiment Station Manager Will Assume Office This Week.

Robert Withycombe, superintendent and manager of the state experiment station at Union assumes the mayoralty reins of Union this week and all Union is looking forward to a progressive regime under his guiding hand. Many affairs having to do with welfare of Union will be disposed of during the coming year and Mr. Withycombe will have a busy season in office. Not least important is the struggle being waged between the Central and Union over depot and branch train facilities.

"We have the most warm-hearted, hospital and loyal crowd of people in Union that ever formed a municipality," said the mayor-elect this morning before returning to Union after spending New Year's day in La Grande. Withycombe's election was marked by a popular wave in his favor and the genial booster will no doubt have a smooth placid political voyage during his term of office.

MANEY BACK DANDRUFF CURE

Newlin Drug Company Guarantees Parisian Sage for Dandruff and Falling Hair.

Think of it dear reader, if PARISIAN SAGE isn't the most invigorating and pleasant hair dressing you ever used—money back.

If it doesn't banish dandruff, stop hair from falling and do away with scalp itch—money back. 50 cents at

This is a progressive age, not only in finance and science but in the physical welfare of the human body. We come to realize more as time passes that in order to keep the mind up to full efficiency the physical must not be neglected. I do not need to tell you that in order to properly assimilate the food taken into the body that the teeth and mouth plays a very important part and should be kept in the best possible condition both from sanitary and mechanical standpoints.

Wallowa Postal Bank.

Wallowa has been designated as a postal savings bank which will be established January 7th. This will be the only one established in the county at this time. The department located the bank here, we understand, as this point was the only town in the county having a pay roll of any consequence. The pay rolls from the saw mills which are tributary to Wallowa run up in the \$100,000 mark each year, and in establishing the new depository it will have a tendency for the men in the woods to save more of their earnings.

The Christmas mails have been heavy through this office, and something like 2,000 parcels have been handled through the Wallowa office, which have all been delivered promptly and only the regular force to do the extra work. Postmaster Tulley and his assistants have the compliments of the season from the many patrons of the office for their efficient work.

The stamp sales on last Saturday were the largest of any day during the month, which amounted to \$23.00. The postal business through the Wallowa office is rapidly increasing which shows our city is growing with each succeeding year.—Wallowa Sun.
