### A GOOD POSITION

Can be had by ambitious young men and women in the field of "Wireless" or railway telegraphy. Since the 8-hour law became effective, and since the wireless companies are establishing stations throughout the country there is a great shortage of telegraphers. Positions pay beginners from \$70 to \$90 per month, with good chances of advancement. The National Telegraph Institute of Portland, Oregon, operates under the supervision of R.R. and Wireless officials, and places all graduates into positions. It will pay you to write them for full details. 12-30-11
