DIXIE MEADOWS MINE A NEW AND GREAT PRODUCER

Baker, Or., Jan. 10.—A new and big producing mine has entered the field as a likely competitor to the older properties in the Eastern Oregon gold fields.
It is the Dixie Meadows Mine, 12 miles north of Prairie City, in Grant county.
A few days ago 97,000 pounds of concentrates were shipped over the line of the Sumpter Valley railroad via Baker to Salt Lake City.
The shipment completes the final test of the mine begun some time ago.
The result of the final test will de-

termine the value of this mine as a producer and will enable the owners to decide what additional equipment is necessary to work the mine to advantage.
