## SYMPHONY CLUB COMING JAN. 17

HEAVY GUARANTEE MET BY LOCAL BOOSTERS.

High School Auditorium to Have a Classical Performance.

Such a galaxy of musical artists as seldom visit a city of proportions claimed by La Grande, will come to the city January 17 when the Schubert Symphony club and Ladies' orchestra give an entertainment in this

city. The artists are coming to La Grande under a positive guarantee made by some of our enterprising citizens, and that the entertainment will be patronized to the full capacity of the house, goes without saying.

In their mandolin and guitar work, they are beyond criticism and in at least one instance this company carries with them a world famous violinist, who is worth the price of admission alone.

A number of well trained and well organized voices go to make up the quartet, which delight their audience with the latest and best of harmonies.

### Halfway Man Runs Amuck.

Baker Democrat

Driven to the point of desperation by the threats of his son-in-law, Wm. Anderson, who was intoxicated and came to his home where he made an effort to attack members of the family with a knife, R. T. Alexander, a well known resident of Halfway went after the belligerent relative with a shot gun and as the latter left the house, took a shot at him, two of the small shots passing through Anderson's left cheek.

The affair took place Saturday afternoon and Mr. Alexander was completely exonerated at the preliminary hearing and Anderson was bound over to the grand jury. Erroneous reports that Anderson had been fatally injured by a pistol shot reached here, but as self defense the motive of Alexander was evident, he was held blameless in the matter. Anderson's injuries are not at all serious according to the information received at the district attorney's office.—Baker Democrat.

### Beware of Ointments for Catarrh That Contain Mercury

Mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is sold in bottles and made in Toledo, Ohio, by F. J. Cheney & Co., Testimonials free.  
Sold by Druggists. Price 75c per bottle. Take 3 or 4 times a day for constipation.

When you have trouble with your teeth you want a dentist to look after your troubles. If you have a bad appendix you need a physician but the dentist has a field all his own. Then there's a difference in dentists.
