IMGLER LIKES NEW SCHEME

CENTRAL SELLING AGENCY IS SATISFACTORY.

Imbler to Incorporate During Winter and Be a City.

Imbler, Ore., Jan. 15.—(Special) The Fruitgrowers' association held a meeting last week in the Bass building to discuss the new central selling plan. It was the opinion of those present that the plan for the growers to take over the Northwest Exchange was a good move.

Plans for spraying and care for this season were talked over as well as the warehouse subject.

It is probable that the union will go in for a co-operative selling this season.

Some enterprising citizens made a snow plow, and it was in operation on the street Saturday and Friday.

Imbler will incorporate this winter and be a real city.

Foley Kidney Pills

TONIC IN ACTION - QUICK IN RESULTS

Give prompt relief from BACKACHE, KIDNEY and BLADDER TROUBLE, RHEUMATISM, CONGESTION of the KIDNEYS, INFLAMMATION of the BLADDER and all annoying URINARY IRREGULARITIES. A positive boon to MIDDLE AGED and ELDERLY PEOPLE and for WOMEN.

Mrs. H. W. Allen, Quincy, Ill., says: "About a year ago my kidneys began bothering me. I had a swelling in my limbs, then headaches and nervous dizzy spells, and later severe backaches. I was getting worse, when I began taking Foley Kidney Pills. I kept on taking them until I was once more freed of all kidney trouble. HILL'S DRUG STORE.

NO REASON FOR IT.

You are Shown the Way Out.

There can be no just reason why any reader of this will continue to suffer the tortures of an aching back the annoyances of urinary disorders, the dangers of serious kidney ills, when relief is so near at hand and the most positive proof given that these ills can be cured. The following is convincing proof.

Mrs. William McGregor, 711 Lillith St., Pendleton, Ore., says: "Doans Kidney Pills are by far the best kidney medicine I ever used. I was troubled from childhood by kidney complaint. My hands and feet swelled, in fact my whole body bloated and I had a great deal of trouble from the kidney secretions. There was a dull pain in my back and sides and often after stooping, I found it difficult to straighten. Dizzy spells and headaches were frequent and my nerves were all unstrung. I rested poorly and on arising in the morning was tired and devoid of ambition. As time passed my constitution became worse and it would be hard to full describe the misery I endured. I spent many dollars for doctor's treatment and I also tried remedies of every kind, but to no avail until I procured Doan's Kidney Pills. This preparation restored me to good health, after visits to Hot Springs and treatments of every other kind had failed. I do not hesitate to tell of my experience and I trust that my statement will be the means of helping other kidney sufferers."

For sale by all dealers. Price 50 cents. Foster-Milburn Co. Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

Making Her Trunk safe.
"No safety deposit vault red tape for me!" declared the woman who cannot help being the wife of a very rich man. "I keep my jewels in a shabby old trunk in my own room. There isn't even a lock on it. I had to force it off one time when I'd mislaid the key."

"Evidently you don't encourage enterprise in burglars," observed one of her hearers. "All a man would have to do would be to raise the lid. You might at least make him a little trouble."

"He'd have trouble enough," said the woman, mysteriously. "Our coachman's brother is an old sailor—a perfect artist in knots—and he showed me how to bind up the trunk in the most complicated way, and no burglar could possibly untie it. He wouldn't know the combination."

The only man in the group grinned. "Of course," he murmured reflectively, "no mere second story man would ever dream of cutting those knots."—Youth's Companion.

Saved.

A lazy negro who let his wife take in washing without deum had a dream one night and a policy dream at that. He borrowed money from her to play the combination, and before he left home he stated his conviction.

"Mandy," he said, "Ah's goin' up-town to play dis combine, what am sbo' to come out. When you see me comin' home in a hack you break up yo' wash tubs."

The "combine" didn't come out, and Sam, in great dejection, acquired a lot of gin. Then he was messed up a bit by a dray, and some other negroes hired a hack to take him home. Sam was nearly out and was breathing heavily when the hack turned a familiar corner, and his wife was standing in the door. With his last ounce of energy he stuck his head out of the window and yelled:
"Mandy, spare dem tubs!"—Chicago Post.

Looming Mirages.

In what are called "looming mirages" distant objects show an apparent extravagant increase in height without alteration of breadth. Distant pinnacles of ice are thus magnified into immense towers or tall, jagged mountains, and a ship thus reflected from far out at sea may appear to be twelve or fifteen times as tall as it is long. Rocks and trees are also shown in abnormal shapes and positions, while houses, animal and human beings appear in like exaggerated shapes. Before the sandy plains of our southwestern states and territories were converted into verdant fields by the ingenuity and tireless energy of man mirages were very common in those regions, the Indians regarding the phenomenon as being the work of evil spirits.
