**TAKEN ILL AT LADD CANYON AFTER MARRIAGE.**

Personals and Local Mention About Ladd Canyon.

Ladd Canyon, Jan. 30.—(Special)—Burt Stump, who was operated upon for appendicitis a week ago, is getting along as nicely as could be expected. Mr. Stump was recently married at Spokane and had brought his bride to his mother's home, Mrs. Medy Brouhard's, for a visit when he was suddenly taken ill. After a week's illness his conditions became too serious for a removal to a hospital so Dr. C. H. Upton came out and performed the operation.

Neil McClure is in Portland where he has been for over a week on a visit. Mrs. Marie Larm returned home from Grants Pass last evening where she has been the greater part of the winter visiting with her daughter.

The second neighborhood dance of the winter was given at the home of Mr. and Mrs. Win Banton, Friday night. The house was filled with guests until quite early in the morning and everyone seemed to enjoy themselves. Messrs. Lawrence Spencer and Jack Walker furnished the music for the occasion.

The first meeting of the new Epworth league which was organized a few days ago was held last evening and a fair crowd assembled considering the rainy weather which prevailed.

With Fay Templeton in the role of Bunty, Weber & Fields will burlesque the Scotch comedy, "Bunty Pulls the Strings," in their new production.

**FAMED SCOUT WILL REACH AMERICA TOMORROW.**

Royal Welcome Will Be Extended to Him in New York.

New York, Jan. 30.—When Sir Robert Baden-Powell, the hero of Mafeking and the founder and chief scout of the British Boy Scouts, arrives here from Kingston, Jamaica, on the steamer Arcadian which is due in this port tomorrow, he will meet with an enthusiastic welcome. Extensive arrangements have been made for welcoming him upon his arrival and for entertaining him during his visit to this city. The principal object of General Baden-Powell's tour is to further the boy scout movement of which he is the father. His tour will last six weeks and will take him to a number of the largest cities of the United States and Canada.

During his stay in New York Sir Robert will be royally entertained. He will attend the second annual meeting of the National Council of the Boy Scouts of America which will be held here February 9th, and on the following day he will witness a demonstration of scout activities by more than 5,000 boy scouts. On the evening of that day the general will give an illustrated lecture on "Scouting in Peace and War." He will also visit the Geo. Junior Republic at Freeville, N. Y., in which he is greatly interested. There are about 300,000 boy scouts and more than 6,000 scout masters in the United States alone and an equally large number in Canada, which in a measure accounts for the great interest with which the arrival of Sir Robert is awaited.

From here General Baden-Powell will go to Washington, where he will meet President Taft, the honorary president of the Boy Scouts of America. At the conclusion of his tour Sir Robert will sail from San Francisco for Australia.
