## OVER 200 AT TABLE, FORECAST

### PLATE SALE FOR BANQUET FRIDAY BIG.

Over 200 Tickets Disposed of in a Few Hours Yesterday.

Over 200 have already signed up for plates at the Commercial club banquet in the new quarters—Honan hall—next Friday night and a great number of the plates are reserved for ladies. This is the first banquet of its kind in several years when ladies have been honored guests and that the festival boards will be surrounded by even up men and women is foreordained. President P. A. Robinson, E. Polack

W. R. Jones and C. H. Gore yesterday formed a committee which signed up over 200 plates in a few hours and the sale is still going on.

After dinner speeches will probably not be many or long and the event is more of a get together event than any other purpose. The banquet room will comfortably seat 225 and that number will no doubt be disposed of.

### COMMISSIONER ACQUITTED.

Jury Finds Accused Official Not Guilty After 19 Hours.

Olympia, Jan. 30.—After 19 hours of deliberation a jury today returned a verdict of acquittal in the case of Joseph Snow, formerly highway commissioner, charged with grand larceny for retaining \$2,000 paid by the Milwaukee road for lands in the Snoqualmie Pass. The fact was brought out that he had never been arrested nor pleaded on the charge but submitted to trial voluntarily.

## BAKER COMES THURSDAY NIGHT

### FOR FIRST TIME RIVAL TEAMS ARE TO MEET.

Basketball Added to List of Athletic Contests Between Schools.

Baker and La Grande will meet in battle royal next Thursday evening on the high school gymnasium when the two rival schools meet to contest their wits and strength in basketball. After considerable uncertainties as to the precise date of the game, Manager Bohnenkamp today received final instructions to prepare for the game on Thursday night, and so be it. The school teams are pitted against each other in good natured rivalry and as this is the first time in many years that basketball teams representing the two towns have met, the outcome will certainly be of great interest. Baker is always a come back community and because Union nosed out a narrow victory last week is not indicative of poor teams at Baker. On the other hand the defeat has served to whip Baker into line and she will come at La Grande with a vim.

Hard practice to get the team into shape for the game will end tonight, as the team has been expecting the game and got ready for it.

The admission to adults will be 35 cents and to children 25 cents. The game commences at 8 o'clock.
