AUDITORIUM AT PARK NEXT

CHAUTAUQUA TAKES STEPS TO BUILD IT.

Chautauqua Board Meets Last Night and Takes Action.

Construction of a permanent auditorium at the Chautauqua grounds in Riverside park was tentatively outlined at a meeting of the board of directors held last night. Committees to look after the necessary seating capacity needed, the best architecture and other salient points were named and will report at the next meeting. That the place will house at least 2,000 is fore-ordained and may be even larger than that.

Big Days in Store.

The directors are rapidly shaping things out definitely. One of these definite events is educational day on July 1 when Dr. Talmage the well known Salt Lake geologist will be here and educators from all the leading institutions of learning in the northwest will be invited. Another certainly agreed upon last night was to make farmers day July 6th. Committees from the granges of the county will meet Saturday to outline the exact program for that day which stands to make one of the foremost crowd attractors of the week. To The People of La Grande NOTICE!

The Elite Theatre

--- OPENS ---

Saturday Night, February 3rd

The One Independent Theatre In The Grande Ronde District

We can, and will show you the best there is in the moving picture business. Why is this?

Listen! Competition is the soul of business, but when a monopoly exists and is backed by a huge trust which says "You must take what we give you and don't you dare to accept anything else under penalty of our displeasure and a possible forfeiture of your license" it is time to ask a reasonable public whether they desire this condition of things to continue.

Up to present date the moving picture loving people of La Grande have been debarred the pleasure of seeing many beautiful films released from the "independent" firms of film makers by reason of the injunction placed upon the managers of houses running so-called "licensed" films, that the "TRUST" license would be cancelled if they, the "licensed exhibitors" dared to reproduce any picture which did not emanate from their own exchange.

This condition of things is over as far as La Grande is concerned. The ELITE opens on Saturday night with a program of films selected by the MANAGEMENT OF THE ELITE THEATRE and which will be a pleasing change from the oft recurring sameness of pictures seen at the licensed houses. Understand, this is an "independent" house and will be run independent of any trust or combine which may attempt to compel the repertoire of the house to be in accord with their absolute dictation. NO other house in La Grande can show the "Pendleton Roundup," "The Fall of Troy," "The Delhi Durbar," "1,000 Elephants," etc., etc., some of the greatest reproductions ever created because the "TRUST" will not allow them to show. Gaumont, the greatest film manufacturer in the world, has gone "INDEPENDENT."

We Can, And Will Reproduce Them

Watch out for our programs in the daily press. From time to time we will have the best obtainable and don't forget we always have something good. GET THE NAME ALL RIGHT?

of La Grande, Camp No. 7703, will stand sponsor for a big county or an Eastern Oregon Reunion during chautauqua week and arrangements are now going on to make it the biggest Woodmen event ever held in Eastern Oregon. All the camps throughout Union and very likely Wallowa, Baker and Umatilla will be invited to attend a big gathering of the clan, and prominent speakers will be brought here from Portland by the local camp to address the Woodmen. Letters are now being prepared to the Woodmen camps and the chautauqua board last night agreed to give a day to Woodmen. A big log rolling event with amateurs on the logs, will probably be one of the stellar amusements arranged for the visiting Woodmen.
