Notes of the Game.

For the first time this year the crowd showed good spirit and rooted heartily.

The Baker girls' team members were interested spectators. The co-ed unit accompanied the boys' team here and to Union where both squads play with the Union teams tonight.

Roberts opened the game at forward with Woods, and while meshing into the teamwork machinery, perfectly as like Woods in regards to shooting baskets—both had lost their aim for the time being.

Reynolds relieved Bolton the last four minutes of play after Bolton had scored 16 points and Crawley relieved Reynolds. The diminutive Crawley walked into a play and tossed a basket with an overhanded throw less than three seconds after he had reported to the referee.

"Oetie" Enberg, all northwest col-

legiate end this year and a hero with O. A. C. followers, refereed the game. Hubler umpired and between the two they were pre-eminent fair and without fault.

Once more Baker and La Grande have met in athletic conflict without the old jarring rag chewing. Gentlemanly behavior was the aim of every player, and the two teams are more firmly cemented athletically than ever Baker boys are good sports, win or lose.

SUGAR DROPS ONCE MORE

TEN CENT FALL BRINGS SWEET STUFF DOWN.

Still Another Drop in Sugar Enthusias Housewives.

Ten cents more have been whittled off the price of sugar and quotations today are enlivening housewives who for many months have been thinking twice before baking sweet things. The

price has been lopped off by ten cent all along the line.

KEEP BOOKS DOWN TOWN

COUNTY CLERK WILL FURTHER ACCOMMODATE VOTERS.

Less Than 50 Last Night Took Advantage of Opportunity.

Less than 50 took advantage of the convenient opportunities to register last night when County Clerk Ed. Wright brought the registration books down town. In view of the fact that only so few attended to this important matter the county clerk has decided to repeat the trick tonight and tomorrow night, being again quartered at the J. R. Oliver offices.

Because so many are not registered and therefore unqualified to sign nomination papers, candidates are going begging for the requisite nomination papers in La Grande. The nomination papers of Stephen A. Lowell of Pendleton for United States senator, have been in La Grande for several days and it has been next to impossible to get the required signatures.

GROWS HAIR ON BALD HEADS.

Bald-headed People May Get a New Chance in Life.

In these days when youth is the moving factor in business, when a man makes his mark at thirty-five and is ready to retire at forty-five, when business houses pension the man we call "middle aged" rather than allow his lagging influence to intrude upon the commercial rush, a bald head is almost fatal to any man's hopes. The following must therefore prove interesting to people who are losing their hair or who are bald.

Resorcin is one of the latest and most effective germ killers discovered by science, and in connection with Beta Naphthol, which is both germicidal and antiseptic, a combination is formed which destroys the germs which rob the hair of its nutriment, and also creates a clean and healthy condition of the scalp, which prevents the development of new germs.

Pilocarpin is a well-known agent for restoring the hair to its natural color, where the loss of color has been due to a disease of the scalp. Yet, it is not a coloring matter or dye.

This combination of curatives mixed with alcohol as a stimulant perfects a most effective remedy for hair and scalp troubles.

The famous Rexall "93" Hair Tonic is chiefly composed of Resorcin, Beta Naphthol, and Pilocarpin. It helps to make the scalp healthy, to nourish the hair, to stimulate the follicles. Where the hair is already bare, it enters the follicles, revitalizes the roots, supplies nourishment, and stimulates a new growth.

We want you to try a few bottles of Rexall "93" Hair Tonic, on our personal guarantee that the trial will not cost you a penny if it does not give you absolute satisfaction. That's proof of our faith in this remedy and it should indisputably demonstrate that we know what we are talking about when we say that Rexall "93" Hair Tonic will grow hair on bald heads, except, of course, where baldness has been of such long duration that the roots of the hair are entirely dead, the follicles closed, and grown over, and the scalp is glazed.

Remember, we are basing our statements upon what has already been accomplished by the use of Rexall "93" Hair Tonic, and we have the right to assume that what it has done to hundreds of others it will do for you. In any event you cannot lose anything by giving it a trial on our liberal guarantee. Remember, you can get Rexall Remedies in this community only at our store—The Rexall Store.
