Satisfied Users

The best asset of a public service corporation, or any other business for that matter, is a satisfied customer.

It has always been the policy of this company to furnish the best possible service to its patrons, under all conditions, and to bring electric lights within the reach of all..

More people, per 1,000 inhabitants, are using electric lights in La Grande, than in any other town in Eastern Oregon.

It is very gratifying to know that our policy has met with success, and we shall strive to merit a continuance of our present patronage.

The number of consumers is growing daily, and we will be glad to add your name to the list, if you are not already one of them. Call at our office for rates, or ring up Main 34.

ISLAND FOLK ENJOY BANQUET

BIG PER CENT OF SUBURB ATTENDS FUNCTION.

Speeches and Fine Repast Make Elegant Function at Island City.

Island City, Ore., Feb. 13.—(Special)—Last evening the Brotherhood gave its first big social function. It took its form this time in a banquet. However, let it be clearly understood that the banquet was not prepared by the men. The good ladies of Island City and vicinity responded nobly to the call of the men with wonderful results. Island City claims a population of less than two hundred, including school children. Of the men and women over one hundred sat down to that splendid repast. It was indeed a most gratifying sight, over 60 men seated in one body. The affair took place in the Brotherhood's new club rooms. The program follows:

Toastmaster—E. E. Arant.

Quartet—Miss Grace Perrin, Miss Lou Perrin, Alex Robertson, E. E Arant.

Address—E. E. Kiddle.

Solo—Miss Nellie Storey.

Address—Dr. J. D. Gillilan.

Address—C D. Huffman.

Quartet—Miss Huffman, Miss Lou Perrin, Alex Robertson, E. E. Arant.

"The Men and Religion Forward Movement"—Scott Brainard of Walla Walla.

Solo—Miss Huffman.

Address—John H. Rudd.

The banquet was such as only Island City can furnish; the program was splendid and the people returning home tired but happy should be justly proud of their great success.

Club Rooms Commodious.

Two weeks ago the Brotherhood leased the second floor of the old M. and M. building for club room purposes. The larger of the two front rooms is to be fitted up as a library, the smaller as a committee room. The large center room will hereafter be the scene of light gymnastic efforts. Already the wheels are turning which will mean within a few weeks boxing gloves and other necessary equipment. The library will soon be well supplied with good books. No longer will it be necessary for the men to spend their idle hours on the street. Perhaps even La Grande's library will not draw them away.

Future of the Brotherhood.

All plans are being carefully made which it is hoped will aid the men of the community better men in every way spiritually, mentally and physically. Toward this end they are planning to send one or two delegates to Walla Walla next week. Island City has a big future.
