Try the Edge With Your Finger!

Examine a collar fresh from our laundry. Notice its clear, white color, its even, elastic stiffness; its smooth, velvet-like domestic finish and its perfect shape.

Then test the top edge by running your finger tip over it. Notice the smooth, slick finish given it. Nothing there to rub, dig or irritate your neck.

This test will prove the value of our service. Make it. Send us a trial bundle and apply the test.

Phone call brings our wagon.
