Island City Pastor Tells of Conference This Week.

(By Rev. John H. Rudd, Pastor M.E. Church, Island City.)

Boise, Ida., Feb. 15.—I arrived in Boise at noon on the 14th. This city is just now the scene of action for the great Men and Religion Forward movement, which is having such a wonderful influence over the men life of Christian churches in the United States. Nearly one hundred and fifty men representing all of the towns and cities of Southern Idaho and Eastern

Oregon, were seated at the luncheon served at noon in the Y. M. C. A. building. The reports which they gave nearly all showed preparation for the great campaign. It is interesting to note that this session influences as far west as Baker and the Walla Walla section comes east to meet it showing the completeness of the work.

A very complete summary of the various addresses thus far would only prove a prophecy of the report which the La Grande delegation should bring back from Walla Walla next week. Just a sentence for a few of the men should be enough.

James A. Whitmore, the Boys' Work Specialist, is a man, and knows boys thoroughly.

Yutaka Minakuchi, a Japanese, a student and a Christian, knows the need of men in the foreign fields.

C. R. Drum and David Ladslaw are thoroughly capable of giving to men the key-note of evangelism.

Fred B. Smith is known and con-

ceded to be, one of the foremost leaders among men.

W. C. Pearce, a thoroughly posted bible student and teacher, is well able to present that phase of the work.

I. J. Lansing is one of the world's foremost social service workers.

All of these men are men from any possible angle you look at them. It is impossible for me to see how any normal Christian man could attend the sessions of this Men and Religion Forward movement without taking back to his home town the inspiration of Christian activity. I think of no greater thing that the churches of La Grande can do than to have a strong delegation in each of the vitally important conferences.

A GREAT DISCOVERY.

Certain Ingredients That Really Promote Hair Growth When Properly Combined.

Remorcin is one of the most effective germ destroyers ever discovered by science, and in connection with Beta Naphthol, which is both germicidal and antiseptic, a combination is formed which destroys the germs which rob the hair of its natural nourishment, and also creates a clean, healthy condition of the scalp, which prevents the development of new germs.

Pilocarpin, although not a coloring matter or dye, is a well-known ingredient for restoring the hair to its natural color, when the loss of hair has been caused by a disease of the scalp.

These ingredients in proper combination, with alcohol added as a stimulant and for its well-defined nourishing properties, perfect perhaps the most effective remedy that is known for scalp and hair troubles.

We have a remedy which is chiefly composed of these ingredients, in combination with other extremely invaluable medicinal agents. We guarantee it to positively cure dandruff and to grow hair, even though the scalp in spots is bare of hair. If there is any vitality left in the roots, it will positively cure baldness, or we will refund your money. If the scalp has a glazed shiny appearance, it's an indication that baldness is permanent, but in other instances we believe baldness is curable.

We want every one troubled with scalp disease or loss of hair to try Rexall "R" Hair Tonic. If it does not cure dandruff and grow hair to the satisfaction of the user, we will without question or quibble return every cent paid us for it. We print this guarantee on every bottle. It has effected a positive cure in 98% of cases where put to a practical test.

Rexall "R" Hair Tonic is entirely unique, and we think in every particular, better than anything else we know of for the purpose for which it is prescribed. We urge you to try this preparation at our entire risk. Certainly we know of no better preparation to give you. Remember you can obtain Rexall Remedies only at one place, the Rexall Store.

Here's one case of it: I. N. Peterman, Granite St., Sumpter, Oregon, says: "The public statement I gave in 1907 in praise of Doan's Kidney Pills was correct in every detail. I have taken this remedy several times since then and it has never failed to give me prompt relief. For seven years I was unable to work. For several years I was badly afflicted with kidney complaint and was unable to work. Two years of that time, I had to use crutches when getting about. My back ached most of the time and my kidneys were badly disordered. Doan's Kidney Pills benefited me in every way and since learning of their merits, I have told

many other people about them."
