Groceries is composed of the very best the market affords. The "standard" and "fancy" canned goods we recommend as being as good as the best, bar none. We guarantee every article that leaves our store, and would ask that you give us a trial, and if everything is not as we represent it to be, your money will be refunded. It is not necessary for you to see the goods before you buy, but use your telephone, and let us know your wants and we will do the rest.
