#### Almost Lost His Life.

S. A. Stid, of Mason, Mich., will never forget his terrible exposure to a merciless storm. "It gave me a dreadful cold," he writes, "that caused severe pains in my chest, so it was hard for me to breathe. A neighbor gave me several doses of Dr. King's New Discovery which brought great relief. The doctor said I was on the

verge of pneumonia, but to continue with the Discovery. I did so and two bottles completely cured me." Use only this quick, safe reliable medicine for coughs, colds, or any throat or lung trouble. Price 50c and \$1.00. Trial bottle free. Guaranteed by all druggists.

## THE GIRL FROM THE RECTOR'S

"The Girl From Rector's" which had a run of over 300 nights at Weber's music hall, New York, will be seen in this city at the Steward for a limited engagement of one night, March 1st, Paul M. Potter is the author of the work, and despite the fact that his past has been identified with plays of a serious nature, he hit upon a vein of humor in "The Girl," which astonished even his most ardent admirers. It is a long step from a play of the nature of "Trilby," of which he was the author to an offering like that of his latest creation. The New York critics declare that he has made a name for himself in the field of comedy which will survive his former reputation. There isn't a dull line throughout "The Girl From Rector's" and not a situation that cannot be understood and appreciated by anyone. The success of the piece may be judged from the fact that its earning capacity at Weber's was many times greater than that of the same house when the Weber & Fields' offerings there, were the sole topic of New York's thre-going public.
