

The Elite Theatre

We offer you a program instructional with MORAL IDEAS. We offer you a program instructional, elevating and amusing. Our offerings to you during Lent are such that not even the most susceptible church member would fail to see, did he know it was being produced.

Look at this program. We shall produce similar all during Lent.

GAS IN STOMACH AND BOWELS

Produces all sorts of annoying symptoms, which very often become alarming. Excessive nervousness and heart pressure, difficult and oppressed breathing, sighing, seems as if patient cannot take a deep breath. Lump in the throat and chest, with pressure, pain and anxious feeling around the heart region. Empty, gnawing and gone feeling at the pit of your stomach, relieved by eating. Small quantity of food makes you feel as if a heavy meal had been taken. Excessive rumbling in abdomen and stomach with belching. Sleepy feeling after eating. Starting during sleep with a sort of a fear and apprehension. Flutters, hands or limbs feel numb and go to sleep, especially on right side. Pain in back and top of head and constipation.

That's all from a nervous stomach full of Gas, and all permanently done away with by BAALMANN'S GASTRO-TEBLETTS.

TEXAS TOMMY DANCERS PLEASE

The Little Richards Seen Last Evening With Pleasing Results.

A large audience last evening went away pleased at the performance of the Tiny Richards who portrayed the Texas Tommy with just enough reality to make the dance pleasing to watch. The clever little dancers are well known to La Grande and they were warmly greeted. The dance is cleverly executed and in the manipulations the couple do it to a turn, avoiding all semblance of suggestiveness, however. The matinee this afternoon was likewise well attended and appreciated. The dancers work in perfect harmony.

STRAW BALLOT TO RUN.

Arcade Theatre to Have Straw Vote for Presidential Choice Hereafter

At the Elite.

"This popular house is receiving the just reward for its endeavors to cater a program of more than ordinary interest to the people of La Grande. Our programs are invariably of a high class order and the accompanying music is such as appeals to all lovers of 'classy' productions," said Manager King this morning.

The management of the Elite received a telegram this morning from Mr. McDonald, general manager of the Western Independent Film Exchange company of Portland, which says: "We'll be in La Grande in a few days. We have got some surprises to spring on you which will be of considerable interest to you and which will go a long way towards boosting 'Independent Service'."

Los Angeles, Cal., Feb. 27.—Bert H. Franklin, charged with bribery in connection with the McNamara jurors, pleaded guilty today to the second count of the indictment which charged him with corruptly influencing one drawn as a juror. The individual referred to was Robert F. Bain.

Sacramento, Cal., Feb. 27.—Albert Bennheim, the philanthropist and the founder of several scholarships in the Stanford university at the University of California today telegraphed the strikers committee at Lawrence, offering them half fare for six children to Sacramento, and hereafter see that they are cared for and given a home.

"Rough and Ready."

President Taylor was usually "Old Zach," but he was known also from his soldierly quality as "Rough and Ready" and from his battle record as "Old Buena Vista."

English Names.

In England Scrubban is pronounced Strawn, Beauchamp is Beecham, Cholmondeley is Chumley, Bethune is Beeton, Knollys is Nolls, Leveson-Gower is Lewson-Gore, Mainwaring is Mannerling, Sandys is Sands, Powell is Po-el, Derby is Darby, Brougham is Broom and Hawarden is Harden.

The Chinaman's Buttons.

Chinamen wear five buttons on their coats to remind them of the principal moral virtues recommended by Confucius—humanity, justice, order, prudence and rectitude.

An Air Test.

To test the quality of the air in a room to learn whether it is pure or poisonous pour some clear limewater in a glass and leave it standing in the room. If the atmosphere is burdened with poisonous carbonic acid gas this will soon unite with the lime in the water, making it cloudy.

Ragtime Music.

The origin of "ragtime" is traced directly to the American negroes, yet the rhythmic peculiarities of "ragtime" are also characteristic of Indian music.

PENINSULAR STEEL RANGES

Is Far and Beyond an argument.

The FINEST MADE. Here is what a SATISFIED CUSTOMER writes us:

"The day I first began using my new PENINSULAR STEEL RANGE was indeed a revelation to me. The possibilities of quick and even baking are unlimited. On baking day my bread is that same delicious, delicate brown on both the top and bottom. At the same time I cook my meals on the top and heat water 'piping hot' for washing the dishes in the large porcelain lined reservoir tank. And do you know, that when I have a boiled dinner that I cook it in the OVEN, because it carries the odors into the chimney and out of the house. Isn't that GRAND! When I am baking I never have to fire but once, as it will hold an even fire all day. I have framed my GUARANTEE BOND given with the range and hung it in the kitchen, but know that I will never find it necessary to have use for it."
