Gas in Your Stomach Not Always Dyspepsia —It's Nervousness

Your Nerves very often make your Stomach irritable. It refuses to work; food does not digest and Gas forms! That's one kind of Dyspepsia, the Nervous kind, and this kind you can cure only by a Remedy that acts directly on the Stomach Nerves. Bismann's Gas-Tablets do this to perfection. They are made especially for Gas. They act on your Stomach Nerves, they quiet the irritable, rebellious gas forming Stomach, and not only relieve, but cure Gas permanently. Really it seems a pity if you suffer from Gas in the Stomach and Bowels not to try Bismann's Gas-Tablets. These peculiar tablets are sold for 50c by every druggist, or send direct to Hahnemann Pharmacy, 336 Sutter St., San Francisco.
