

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular, free.

MISS GRACE AYLESWORTH COMING TO LA GRANDE IN "THE CHORUS LADY" NEXT WEEK.

This talented actress is appearing this season in James Forbes' most successful comedy of stage life, "The Chorus Lady." Miss Aylesworth's many friends and admirers who have delighted in her work in other New York successes, and as leading lady with Virginia Harned last season, will appreciate her interpretation of Patricia O'Brien, a part that is ideally suited to an actress of Miss Aylesworth's temperament.

To please an author in the portrayal of characters of his work is a difficult feat, yet Miss Aylesworth has succeeded so well in this respect that Mr. Forbes is considering writing a new play for her next season. "The Chorus Lady" is making its second transcontinental tour this season, and with a most excellent company and production will be presented at the Steward opera house, for once performance only, on next Friday evening, March 8th. This is guaranteed to be one of the best attractions booked to appear at the opera house this season and will undoubtedly draw a large house.

son and will undoubtedly draw a large house.

LEAGUE'S MEN ARE ADVANCED**SAID TWO MEN ALREADY IN LINE FOR SUPPORT.**

Two Union Men Said to Be in Line for Tax League Support.

Speculation generally is rife over the probable nominations and recommendations that will be made by the senate of the Taxpayers' league when that body meets shortly to decide what candidates shall be given the endorsement of the league membership for county offices. "Inside" political dope from Union intimates that the recently organized Taxpayers league will favor L. L. McKennon for assessor and William Wigglesworth for commissioner in the coming county election. Both of these men are from Union.

ELGIN TICKET OUT.

Full Slate Chosen by Caucus Method at Elgin This Week—Election Soon

Details of the Elgin caucus this week are outlined in a Recorder news item:

For mayor—D. Sommer and H. Henderson.

Councilmen—J. B. Johnston, S. A. Chappel, Robert Blumenstein, Geo. O. James, H. G. Masterson, and Geo. F. Smith.

Treasurer—R. L. Shoemaker.
Recorder—H. E. Dixon and Jesse Crum.

Marshal—Tilden Booth and J. C. Christiansen.

With this ticket in the field it will be very hard for the voters to go very far wrong, and there is no doubt that the offices of the city will be well and capably filled during 1912. Councilmen Thorson, Smith and Hackett hold over.

The election is on Monday next, the 4th day of March and the polling place the old city hall. The polls will be open from nine in the morning until five in the afternoon, and it is probable that the vote will be heavy.

**PENINSULAR STEEL RANGES**

Is Far and Beyond an argument.

The **FINEST MADE.** Here is what a **SATISFIED CUSTOMER** writes us:

"The day I first began using my new **PENINSULAR STEEL RANGE** was indeed a revelation to me. The possibilities of quick and even baking are unlimited. On baking day my bread is that same delicious, delicate brown on both the top and bottom. At the same time I cook my meals on the top and heat water 'piping hot' for washing the dishes in the large porcelain lined reservoir tank. And do you know, that when I have a boiled dinner that I cook it in the **OVEN**, because it carries the odors into the chimney and out of the house. Isn't that **GRAND!** When I am baking I never have to fire but once, as it will hold an even fire all day. I have framed my **GUARANTEE BOND** given with the range and hung it in the kitchen, but know that I will never find it necessary to have use for it."
