

4000 SQUARE FEET OF FLOOR SPACE DEVOTED ENTIRELY TO BARGAINS

This represents the size of our Bargain Basement since we have added the new room. It represents something else, too, that may be of more interest to you. The utilizing of this space at a very slight additional cost enables us to give Bargains that we could not otherwise. We believe we can say without fear of successful contradiction that practically all the goods in this department are priced at 25 to 50 per cent than usually asked for the same goods.

CANALS IN HOLLAND.

Simple Scheme That Keeps Children From Falling Into Them.
The Dutch peasant lives with canals all about him and reaches his cottage by way of a drawbridge. Perhaps it is in the blood of the Dutch child, says a writer in London M. A. P., not to fall into a canal. At all events the Dutch mother never appears to anticipate such a possibility.
One can imagine the average English or American mother trying to bring up a family in a house surrounded by canals. She would never have a moment's peace until the children were in bed. But then the mere sight of a canal to the English child suggests the delights of a sudden and unexpected bath.
An Englishman inquired of a Dutch woman, "Does a Dutch child ever by any chance fall into a canal?"
"Yes," she replied, "cases have been known."
"Don't you do anything for it?" continued the questioner.
"Oh, yes," she answered. "We haul them out again."
"But what I mean it," explained the Englishman, "don't you do anything to prevent their falling in—to save them from falling in again?"
"Yes," she answered, "we spank them."

Justice claims what is due, polity what is seemly; justice weighs and decides, polity surveys and orders; justice refers to the individual, polity to the community.—Goethe.

Straw Vote Taken at Arcade.
The Arcade theatre is carrying on a primary election all its own. The management is giving the patrons of that popular house an opportunity to say who they want for the next president of the United States. With each ticket purchased a ballot is given and after marking their presidential choice the voter puts his ballot in the ballot box which stands in front of the theatre. Each day these ballots are counted and results placed on a bulletin board. During the evening's program a picture of each of the presidential aspirants is thrown on the screen. The results of the balloting are as follows:

Republican.	Democrat.
Roosevelt—201.	Clark—57.
Taft—90	Wilson—192.
La Follette—138	Underwood—28.
Cummins—28.	Foss—28.
Hughes—12	Harmon—25.
