## If You Are a Renter Demand Electric Lights.

You are paying out good money and you are entitled to the best. But in justice to your health, your eyesight and to your own comfort you owe it to yourself to insist on getting them.

They are easy on the eyes, make the house more pleasing, and are always ready when you want them, the physician says, "You once appeal most of all to the busy housewife, because our prescription business is so large and come from so wide a territory that we are sure to soon have a call for it. We carry, and have demand for scores of remedies that many drug stores do not handle at all."

If you are holding back on account of new light globes, which give better light than the old style globes. Call, or phone
