unhappy tears will be shed in their homes.

At a special school meeting held last Saturday the Imbler school board was instructed to buy five acres of ground from the Summerville Lumber company and erect the new two story building high school thereon.

This is a great move for Imbler for ground and furnish a splendid playground. It will put the school on high level ground for years to come. The new building will be two story modern school building.

CAUSES SICKNESS.

Good Health Impossible With a Disordered Stomach.

There is nothing that will create sickness or cause more trouble than a disordered stomach, and many people daily contract serious maladies simply through disregard or abuse of the stomach.

We urge every one suffering from any stomach derangement, indigestion, or dyspepsia, whether acute or chronic, to try Rexall Dyspepsia Tablets, with the distinct understanding that we refund their money without question or formality, if after reasonable use of this medicine they are not satisfied with the results. We recommend them to our customers every day, and have yet to hear of any one who has not been benefited by them. Three sizes, 25c, 50c, and \$1.00 a box. Sold in this community only at our store—The Rexall Store.

YOUR MONEY

Invested in real estate of which you didn't first secure an ABSTRACT is indeed in a perilous position.

The many ways in which real estate titles can be affected by their owners without you knowing it, are but a few of the reasons why an ABSTRACT OF TITLE made by us is an absolute necessity.

Our Abstracts are better protection than life insurance. They protect the title to the real estate in which your money is invested, and you get the benefits while you live.

**IMBLER VOTERS
STUDY POLITICS**

SCHOOL FOR EDUCATION OF COMMONWEALTH IS HELD.

New High School to Be Built at Imbler in the Near Future.

Imbler, Ore., March 19.—(Special)—The Imbler voters have hit upon a novel plan of education along political lines under the Oregon system.

They have organized what is called the Imbler Non-Partisan political school to study the proposed laws. They meet every Tuesday evening and have a regular program prepared and advertised ahead so that each voter will have time to give the subjects consideration.

Last Tuesday the Capital Punishment amendment was most interestingly discussed and next Tuesday the subject will be the new road law.

The grange and farmers' unions have a similar system, but the prime movers in this organization believe that such a league in each precinct in the state of Oregon would be the

ideal way of preparing the common voters to fulfill his obligation of citizenship under the Oregon system.

The strongest argument against the initiative and referendum is that it is ideal, but not practical, and that it is not practical, because, the average voter will not burden himself with law making and that if he were willing to take the responsibility, he is not capable.

All the proposed laws giving the people direct power will fail unless the people get under the burden and do their duty faithfully. They must study the laws.
