**Deafness Cannot Be Cured**  
 by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.  
 It will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Dr. J. C. Cheney's Catarrh Cure. Send for circulars free.

**Madam! If your husband won't provide electric lights for you, make him**  
 Look after the oil lamps. Let him see how much time it takes daily to clean, fill and trim them, that might be employed in more profitable pursuit.  
 Oil lamps are a nuisance. They are most unsatisfactory lights at best. They smoke, flare and give out noxious gases. Perfect ventilation is impossible because it isn't safe to raise the windows where there are curtains to be blown. Then an open window makes an unsteady light, which means danger from explosion.  
 Doughtless there are some people who will always use oil lamps, but the vast majority are realizing that, measured by the standard of service, electric lights are the cheapest and best. Phone us for rates. Main 34.
