THE STOLEN NICKEL.

An Edison Feature at the Isis Monday and Tuesday.

A delightful, heart-interest picture of a typical small boy. It is very well played by Yale Boss. His parents didn't let him have any pocket money at all. He chanced to pick up a nickel on the sidewalk. He knew whom it belonged to; but the temptation was strong and he spent it. He then suffered all the poignant repentance that such a youngster would be likely to feel. He saw the necessity of returning the money and started to earn it, one penny at a time, so that he could make the restitution. The state of mind that led up to this resolution, the difficulties he encountered in making the money, the inter-reaction of the boy and all the characters with whom he came in contact and the effect on them when his repayment disclosed to situation are all very dramatically and skillfully shown.

cases and ills of the human body. If you suffer with backache, urinary disorders, or any form of kidney trouble, the advice contained in the following statement will add a valuable asset to your store of knowledge. What could be more convincing proof of the efficiency of Doan's Kidney Pills than the statements of nearby residents who have been permanently cured? Mrs. W. M. Stokes, Union, Oregon, says: "I hold just as high an opinion of Doan's Kidney Pills today as I did when I publicly recommended them in 1907. Off and on I was annoyed by a lame and aching back and it was not until I used Doan's Kidney Pills, that I found relief. During the past year, I have had no further use of a kidney medicine but but I have kept a supply of Doan's Kidney Pills in the house."
