MOGULS SURE OF D LEAGUE

BAKER HOLDS CONTROLLING KEY TO SITUATION

If Baker is in, Six Teams, If Out Four Teams in League

Almost certain assurance is given that a tri-state class D baseball league will be formed this month to play its first game May 7, following the arrival in La Grande last night of J. W. Cody and W. N. Sweet, the Boise baseball moguls who are instrumental in organizing the league. Walla Walla has subscribed its money to finance the club there and build a park and Pendleton subscribed its money in one day. La Grande is certain to join the league, say promoters here and Boise of course will be the fourth club. Baker will today say whether or not she will enter and if she does, it will mean a sixth team will be picked from Idaho, either Caldwell or Weiser, or even Ontario.

The schedule meeting will be held at Pendleton at once and the present plan is to conclude the season September 2.

The Boise moguls went to Baker this morning after spending the night here, and it is almost a foregone conclusion that Baker will not show enough interest to get in line.

KEEP THE KIDNEYS WELL.

Health Is Worth Saving, and Some La Grande People Know How to Save It.

Many La Grande people take their lives in their hands by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill health, but there is no need to suffer nor to remain in danger. Use Doan's Kidney Pills—a remedy that has cured thousands of kidney sufferers.

The following statement leaves no ground for doubt:

Mrs. Cella Badger, Union, Oregon, says: "For four years I was afflicted with dropsy. My hands and feet were greatly and I had trouble beneath my eyes. I was so nervous and directly after I had taken Doan's Kidney Pills, I was cured. I was cured of my dropsy and my kidneys were well. I was cured of my dropsy and my kidneys were well. I was cured of my dropsy and my kidneys were well."

KIDDLE REPLIES TO FLAG DEF

HOLDS QUARTER CENTURY RESIDENCE SUFFICIENT.

Asserts He Does Not Require Public Debate to Get Acquainted.

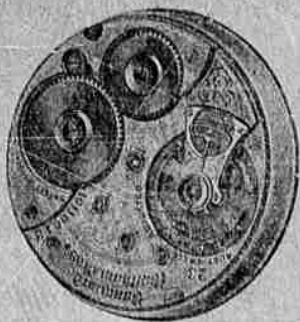

Holding that his 25 years' residence in Union county and his acquaintance formed through business channels in that time, are sufficient, Ed E. Kiddle answers the def of E. H. Flag of Elgin published yesterday. Flag, who like Kiddle, is a republican candidate for nomination to the office of joint senator, suggests a public debate whereat both candidates can get acquainted with the voters and express their political views.

"I have lived in this county for the past 25 years," said Mr. Kiddle in speaking on this subject this morning, "and having had business dealings with a majority of the people, I do not think it necessary for me to appear before them in the limelight as a political stump speaker and a debater."

Notice to Stockholders.

There will be a meeting of the Union County Fair association at Honan hall Friday night. All members are urged to be present. Business of importance.

the business men of the city are greatly interested in the proposal of building a five story building on the corner of Elm and Adams avenue and are taking a hold and purchasing units.

J. H. Richardson said this morning that the business men of the city are investing in the building and everything looks very favorable for the entire success of the enterprise. Some have asked the committee which has visited them to call again; that they possibly would be able to make further investments.
