TELLS WOMEN HOW TO HAVE CHARMING HAIR

Rough coarse hair is unnecessary; so is faded, dull looking hair.

Dandruff and scalp itch are both caused by an accumulation of scurfy filth and can easily be gotten rid of. Dandruff germs cause falling hair and diseases of the hair and scalp, and should be destroyed.

If you have any of the hair troubles mentioned above, the Newlin Drag company will guarantee **PARISIAN SAGE** to end every one of them or will refund your money.

PARISIAN SAGE is a delightful hair dressing that is being used today by many thousands of lovely Americans who detect uncleanliness. Large bottle 50 cents.

Madam! If your husband won't provide electric lights for you, make him

look after the oil lamps. Let him see how much time it takes daily to clean, fill and trim them, that might be employed in more profitable pursuit.

Oil lamps are a nuisance. They are most unsatisfactory lights at best. They smoke, flare and give out noxious gases. Perfect ventilation is impossible because it isn't safe to raise the windows where there are curtains to be blown. Then an open window makes an unsteady light, which means danger from explosion.

Doubtless there are some people who will always use oil lamps, but the vast majority are realizing that, measured by the standard of service, electric lights are the cheapest and best. Phone us for rates. Main 34.
