The high school annual is now an assured fact. Material has been gathered and is being placed in the hands of the printers. Those in charge of the printing of the book state that it will not only be a credit for a good beginning but will rank among the first ever published in Eastern Oregon. Many humorous stories and poems will appear in the annual which are the original work of the high school students.

The students in rhetoric are showing much interest in brief forms of debate. They take up both sides of the question and often the feeling runs high over the outcome.

Tuesday morning Prof. N. F. Coleman of Whitman college delivered an address on "Liveness", which was most beneficial to the students. He was followed by a vocal solo by Mr. Joe Williams of Seattle which was well received by the student body.

BETTER THAN SPANKING
Spanking does not cure children of bed wetting. There is a constitutional cause for this trouble. Mrs. M. Summers, Box W, Notre Dame, Ind., will send free to any mother her successful home treatment, with full instructions. Send no money, but write her today if your children trouble you in this way. Don't blame the child, the chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties by day or night.
