

Here is an opportunity for Some Fruitman or Company

A twelve year old Commercial Orchard. A money maker. 35 acres. In a recognized fruit section. Free from frost. Has always had the best of care. Note the price

\$250 Per Acre

The owner is operating a large farm and does not care to give the orchard the necessary attention that he knows it should require.

This year there is every reason to believe there will be over 10,000 boxes of choice fruit. This orchard in the past has produced this quantity and there were never better prospects than now. The trees are loaded with buds.

The terms are exceptionally easy. Here is an opportunity for some fruit man or in fact two or three men to practically pay for this fine property from the proceeds of this year's crop.

If interested call and permit me to give you the detail information and show you the best orchard buy in the county.
