KEEP THE KIDNEYS WELL.

Health Is Worth Saving, and Some La Grande People Know How to Save It.

Many La Grande people take their lives in their hands by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill health, but there is no need to suffer nor to remain in danger. Use Doan's Kidney Pills—a remedy that has cured thousands of kidney suf-

ferers. The following statement leaves no ground for doubt. Mrs. Celia Badger, Union, Oregon, says: "For four years I was afflicted with dropsy. My hands and feet swelled greatly and I had puffy spots beneath my eyes. My back ached intensely and there were acute pains directly over my kidneys and in my left shoulder. The kidney secretions were unnatural and this plainly convinced me that I had kidney complaint. Reading of similar cases where Doan's Kidney Pills had been taken with ben-

efit, I was led to try them and they gave me relief. I have since kept this remedy in the house and its use has always proven beneficial."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

ANTI ASSEMBLY—STATEMENT NO. 1.

I am a candidate for the republican nomination for joint senator for Union and Willowa counties and seek the support of all who believe the provisions of the Direct Primary Law should be complied with both in spirit and to the letter. I have been a resident of Oregon for nearly thirty years and served in the legislature from Marion county. As a member of the Ways and Means committee I helped secure for Union county the bounty on sugar beets and the bounty on coyote scalps. In the last session I served as chief clerk of the senate, and my experience would be of value in securing a reduction of the excessive appropriations.

Long residence in Union county will not aid a senator in securing needed reforms, but experience and knowledge will.

A man's neighbors, with whom he does business and associates daily are the best judges of his qualifications, and therefore I submit for the consideration of the voters the following:

FOR THE PEOPLES OF UNION AND WALLOWA COUNTIES: We, the undersigned citizens of Elgin, without regard to political affiliations, hereby commend to you, our fellow townsman, E. H. Flagg, as a man in whose ability and integrity we place full confidence, and we think he is in every way fitted for the position of joint senator, to which he aspires. During his residence here he has done everything in his power as editor of the Recorder, to make known the advantages of this section of the state, and we believe, as senator from Union and Willowa counties, he would be an able and faithful public servant.

E. H. FLAGG, (Editor Elgin Recorder.)

I respectfully submit that this endorsement of my neighbors has more value than that of a closed door assembly, attended by about 15 La Grande politicians.
