## THIEVES BREAK INTO STORE

**BOHNENKAMP HARDWARE STORE ROBBED LAST NIGHT.**

**Rear Door Broken Open and Guns and Knives Taken Away.**

An unknown number of guns and knives were stolen from the W. E. Bohnenkamp & company store last night when thieves broke in and selected such goods as they wanted and made a clean getaway. Entrance was effected through the rear door which had been pried open with bars. Just how much was taken is not known, but probably will never be known but the store clerks and owners are confident the theft was not so extensive; still this is pretty much surprise.

Chief of Police McLachlen has been working on a clewless chase today, and fears that the thieves got out of town on an early train, as the theft was not discovered until this morning, giving the burglars plenty of time to make a clean getaway.

**Northwestern League Starts.**

Seattle, Wash., April 16.—The Northwestern Baseball league started the season of 1912 with all signs pointing to an interested and spirited race for the championship pennant. In the opening games today Tacoma plays at Vancouver, Victoria at Spokane and Portland at Seattle. The season's schedule calls for 170 games with September 27th as the closing date.
