## RADIUM EXPERT COMES FRIDAY

HIGH SCHOOL AUDITORIUM WILL SEE FEATURE.

Three Great Studies Will Be Handled Intelligently Friday.

Tomorrow night radium, wireless telegraphy and liquid air will be the subject of an interesting discourse at the high school auditorium when the three subjects will be handled by a man who has headed years in the study of the three subjects.

St. William Russey, the great English scientist, discovered that the vapor that radium continuously throws off is transformed into Helium, the gas regarded as one of the older constituents of the sun's atmosphere. He says, "What is this but an actual case of that transformation of our elements into another in which the element is chemically believed, which they patiently sought to change lead into gold, and incidentally founded the science of modern chemistry."

It is a curious thing, to regard radium as a bit of the sun, because in the earth, "pickled" with acids, it was. Science scientists are now attributing the earth's heat to radium. Whatever radium is, it is a most valuable substance and hundreds will endeavor next night to see it for themselves and hear Prof. Parry explain the wonders, experiments with liquid air and wireless telegraphy. The event will all be an enjoyable and profitable evening.

FORSYTH SIGN STATE. MENT.  
I am a believer in and have subscribed to Statement No. 1000  
verified by investigation and attention on file with the county clerk.  
C. J. FORSYTH

## DON'T KNOW THEY HAVE APPENDICITIS

Many La Grande people who have chronic appendicitis, which is not very painful, have doctored for years for gas on the stomach, sour stomach or constipation. A. T. Hill states if these people will try simple buckthorn bark, glycerine, etc., as compounded in Adlor-Ika, the German appendicitis remedy, they will be surprised at the QUICK benefit. A SINGLE DOSE relieves these troubles INSTANTLY. A. T. HILL, druggist.

C. L. Parsons, secretary and treasurer of the C. H. Ward Drug Co., Pasadena, Calif., writes: "We have sold and recommended Foley's Honey and Tar Compound for years. We believe

it to be one of the most efficient ex-pectorants on the market. Containing as it has no nauseating results and no opiates or narcotics it can be given freely to children. Enough of this T. Hill.
