**ROMANCE ENDS HERE.**  
Two O.-W. Operators, Co-Workers at the Key, Wedded in La Grande.

Elaborating on the wedding announcement in the Observer a few days since relative to the marriage of Mr. Wood and Miss Swart, the Pea-dleton Live Wire remarks:  
Harry Schwichtenberg, the well-known and popular operator at the local O.-W. R. & N. office, returned this morning on No. 5 from La Grande, where he had acted as "best man" at the wedding of Frank Wood and Miss Myrtle Swart.

Mr. Wood was formerly a telegraph operator here and is well known to a large number of people. Miss Swart was formerly the operator at Gibbo-

where she met Mr. Wood.  
They were married at the home of the bride's parents, which was prettily decorated for the occasion, and after the ceremony an elaborate wedding supper was served to the many friends of the young couple who were present. The bride and groom will visit in La Grande for a few days, after which they will go to Umatilla, where Mr. Wood is now employed and where they will make their future home. Mr. and Mrs. Wood intend making a trip to Texas this fall, where the parents of the bridegroom reside.

**REV. DUNKIN MOVES.**  
Baker Baptist Pastor Goes to Corvallis Pastorate at Once.

Rev. Daniel G. Dunkin will preach his last sermon next Sunday as pastor of the First Baptist church of Baker and will a week later begin his duties as pastor of the First Baptist church at Corvallis, relates the Baker Herald.

When he resigned recently he had intended to take up work with the McMinnville college but when he received the offer of the pastorate of the Corvallis church he accepted it as it would allow him to be at home more. Rev. Dunkin was greatly liked by his congregation here and was loath to go but made the change for the benefit of Mrs. Dunkin's health. Plans for the services next Sunday have not been made but there will probably be a special program. The successor to Rev. Dunkin has not been definitely chosen.

Milwaukee (Wis.) Bricklayers and Masons' union has sent notices to the architects that after May 1st inspectors on all buildings under construction must be practical bricklayers and masons and members of the union.

is what those misguided mortals are doing who buy wheels on the strength of their being "just as good" as the Columbia bicycle. There is no other wheel just as good and certainly none better. The Columbia wheel stands for all that is superior in bicycle construction — grace, beauty and ease of running. New stock just arrived.
