 120 Acres adjoining on the other side can be isolated. Good grass.

\$3931.00

560 Acres all told that combined would make an all around farm. Situated on one of the main county roads which is good 11 months in the year. Note the price. The 160 acres will cost you about \$25 for land office fees. The 120 acres that can be isolated will cost \$150, and the original farm of 280 acres will cost \$3750, making a total of \$3931.00. Here is a chance for some energetic man to lay the foundation for an independent life and an annually increasing bank account. You had better call at the office for details.

Getting Left

is what those misguided mortals are doing who buy wheels on the strength of their being "just as good" as the Columbia bicycle. There is no other wheel just as good and certainly none better. The Columbia wheel stands for all that is superior in bicycle construction — grace, beauty and ease of running. New stock just arrived.

you had lost all of your teeth except a few. Would you like to keep these few and have a full set put in place that would be practically the same as your natural teeth. Come and ask how it is done. Modern methods make many things possible in dentistry that a few years ago would not have been possible.

DR. STEVENSON

It is not often that the theatre going folk have the opportunity of seeing such high class artists as will appear at the Steward Opera house Monday, April 29th, and it is hoped the theatre will be crowded to capacity. The newspapers from adjacent cities are high in their praise where "The Squaw Man" has been playing to capacity houses and herewith is reproduced a clipping from the Winnipeg Free Press: "Consensus of opinion at the conclusion of the performance given by 'The Squaw Man' company at Walker theatre last night was by far and away the best seen at the theatre since it was built, and the company is to be heartily congratulated upon having given the most complete satisfaction. 'The Squaw Man' was the title of the play; the story told was powerful and full of human interest, the interpretation given by the single out one artist for special mention would be an invidious proceeding, for the company was well balanced and each one performed his and her allotted task with true and histrionic ability."

The Pittsburg Pirates lost the opening game, the first since 1907. Since 1887 the Pirates have won 18 and lost eight games played on the first day of the season.

Geo. Dell, Leading Man with "The Squaw Man" company.

Cornelius Lyons, the former Western league umpire, has been elected a justice of the peace at Indianapolis. He will make only one slight change in his decisions hereafter. Instead of sending the bad actors off the field he will send them to the hoose-gow.
