

S.S.S. CURES BLOOD POISON

When the blood becomes infected with the virus of Contagious Blood Poison, the symptoms are soon manifested. The mouth and throat ulcerate, copper-colored spots appear, a red rash breaks out, the hair begins to come out, and usually sores and ulcers show themselves on different parts of the body. At the first sign of the disease S. S. S. should be taken, for the trouble is too powerful and dangerous to trifle with. If allowed to run on the tendency is to work down and attack the bones and nerves, and sometimes it makes a complete physical wreck of the sufferer. The disease can make no such headway if S. S. S. is commenced and used according to directions; its progress can be stopped, the poison removed, and health preserved. S. S. S. goes into the blood and removes the insidious virus, cleanses the circulation and makes a complete and permanent cure by driving out the cause. S. S. S. quickly takes effect on the blood, and gradually the symptoms disappear, the health is improved, the skin cleared of all spots, sores and blemishes, and when S. S. S. has thoroughly purified the circulation no trace of the disease is left. S. S. S., a purely vegetable remedy, cures Contagious Blood Poison because it is the greatest of all blood purifiers, tested and proven for more than forty years. Home treatment book and any medical advice free to all who write.

is what those misguided mortals are doing who buy wheels on the strength of their being "just as good" as the Columbia bicycle. There is no other wheel just as good and certainly none better. The Columbia wheel stands for all that is superior in bicycle construction — grace, beauty and ease of running. New stock just arrived.

HOME TALENT PLEASURES.

"The Last Loaf" was presented at the Riverside grange Wednesday night to a well filled house and again demonstrated that there is talent among the farmers, and fanned with an instructor like Bessie Baker to flare up and produce a home talent that smacks of the professional standard

from the first curtain until the drama is finished.

Miss Vivian Baker made a host of friends by her clever performance of "Patty" and the same must be said of Z. Chandler who looked and acted the part of "Tom Chubbs" the stuttering Dutchman to perfection. Stella Plumer as "Lilly," the daughter, was charming and did her part well. Robert Chandler as "Dick Bustle," the baker, was simply fine and took off the part to a dot. Ed. Carbine as Harry sustained his part most admirably and pleased all. Bessie Baker as Kate Ashton, the mother, sustained her part with excellence and won the hearts of all. F. Graham, as "Caieb," conceived vile plots only to be defeated in the end to the satisfac-
