THE DIAMOND S RANCH

ARCADE FILM IS SISTER TO OTHER FAMOUS PICTURE.

Bulldogging a Steer and Daring Riding Performed for Film Machine.

A companion to Selig's well known feature film, "Ranch Life in the Great Southwest," and which we exhibited at the Star theatre about a year ago and which will be remembered by many show-going people, was the most striking of its kind up to the time of its release. This second picture entitled "With the Boys on the Diamond S," has even more thrills as the most expert cowboys in the world were engaged in its making. Tom Mix, the man of steel muscles and the world's champion bull dogger and Frank Malish, the world's champion roper and rough rider, are to be seen in some amazing feats of skill and horsemanship.

ship. It would seem that all the demons of the plains had been collected for the occasion and many a rider bites the dust after a long and desperate effort to retain his saddle. Additional thrills in bulldogging feats are furnished by Mrs. Mix. She seizes a monstrous steer and after a tremendous tussle succeeds in throwing him. There is another big surprise in store for those who view this film, for the first time they will see an automobile used instead of a horse in roping and tying steers. This is done most successfully and in one instance we see Mix bulldog a steer from the machine while it is going at high speed. The roping feats and daring riding performed by Frank Malish and others will make many eyes open in wonder. The march of 1,000 longhorns, the last of their kind on the plains as they are driven to the nearest station for shipment, sunrise on the plains with thousands of cattle resting or browsing, and continuous action of the liveliest kind marks the doings of the boys on the Diamond S, and their stunts include all that is worth while in the depiction of life on the plains of the great southwest. The Arcade will show this picture for two days, Sunday and Monday, May 5 and 6.

CHRIST WRIGHT INJURED

Collides With Automobile and Hip Is Broken in Fall to Pavement.

Chris Wright is resting a trifle easier today, following the extremely painful accident Wednesday afternoon when he collided with an automobile and was thrown from his bicycle to the pavement sustaining a fracture of one leg just below the hip. Mr. Wright was riding a wheel on Adams avenue and in passing an automobile driven by Ed Givens in some way came together with considerable force. Mr. Wright was thrown from his wheel and struck the pavement with such force that his hip bone was broken. He was hurried to his home on Adams avenue and though in a critical condition, is said to be resting a little easier today.

CONFEDERATES LAST CAMP

(Continued from page 1)

here—the Sons of Confederate Veterans, the United Daughters of the Confederacy and the Women's Memorial association—there will be an elaborate program of amusement and entertainment. Of late years the social side of the reunions has become one of the most pleasing and prominent features of the annual gatherings. The custom of appointing young women, generally daughters of Confederate soldiers, to act as sponsors for the several states, has so spread that not every state, but every division, brigade, regiment—in fact, every one of the 1,770 camps appoints a sponsor and one or two maids of honor. The sponsors have proved one of the most interesting features of the reunion and have given youth and brightness to the gathering.

S.S.S. HEALS SORES AND ULCERS

S. S. S. heals Sores and Ulcers in the very simplest way. It just goes right down into the blood and removes the cause, and the place is bound to heal because the impurities and morbid matters which have been the means of keeping the ulcer open are no longer absorbed from the blood. External applications of salves, lotions, plasters, etc., can never produce a cure because they do not reach the source of the trouble. At best they can only allay pain or reduce inflammation; such treatment is working on symptoms and not reaching the cause. Every nutritive corpuscle in the blood is weakened or infected, they cannot nourish the fibrous tissue around the place, but instead they constantly discharge into the flesh around the sore a quantity of impure, germ-laden matter which gradually eats into the surrounding healthy tissue and causes the ulcer to enlarge. Since impure blood is responsible for Sores and Ulcers, a medicine that can purify the blood is the only hope of a cure. S. S. S. has long been recognized as the greatest of all blood purifiers, possessing the qualities necessary to remove every impurity from the blood. While curing the sore or ulcer S. S. S. brings about a healthy condition of the flesh by supplying it with rich, healthy blood, and thus makes the cure permanent and lasting. Book on Sores and Ulcers and any medical advice free to all who write.

THE SWIFT SPECIFIC CO., ATLANTA, GA.

Saved Child From Death.

"After our child had suffered from severe bronchial trouble for a year," wrote G. T. Richardson, of Richardson's Mills, Ala., "we feared it had consumption. It had a bad cough all the time. We tried many remedies without avail, and doctor's medicine seemed as useless. Finally we tried Dr. King's New Discovery, and are pleased to say that one bottle effected a complete cure, and our child is again strong and healthy." For coughs, colds, hoarseness, lagrippe, asthma, croup and sore lungs, it's the most infallible remedy that's made. Price 50c and \$1.00. Trial bottle free. Guaranteed by all druggists.

There is still hope for the Highlanders. Only a few years ago a Boston team started off the season with nine straight defeats, and yet it won the championship.
