

S.S.S. CURES ECZEMA, ACNE, TETTER ETC.

While Eczema, Acne, Tetters, Salt Rheum, etc., are troubles which affect the skin, their source is far deeper than the outside cuticle. These affections are caused by irritating humors, or uratic acid in the blood. Such impurities cause and irritate the delicate net-work of fibrous tissue which lies just beneath the surface of the outer skin, and the inflammatory discharge thus produced is forced out through the pores and glands, and is continually oozing out while the blood remains infected. This exudation causes the formation of scales and crusts so often seen in Eczema, and when they are scratched off the flesh is left raw and more susceptible to other infection. It can very readily be seen then that to produce a cure the circulation must be purified and cleansed. This S. S. S. will do. It goes down to the very bottom, removes all humors and impurities, neutralizes the excessive acids of the system and in this way removes the cause of disease. Local applications can only soothe the irritation and assist in keeping the skin clean; they produce a cure because such treatment does not reach the blood. S. S. S. restores to the thin, acrid blood all its lost properties, makes it rich and enables it to nourish the skin and keep it soft, smooth and healthy.
