

Best Clothes Made

Collegian Clothes have a quality built into them which the average clothes-maker leaves to the higher class of custom tailors. Every phase in the making of these garments has been in the hands of tailors who, by their ability and experience, have

stamped themselves as masters of their craft. The patterns and colorings for Spring will irresistibly appeal to men who are desirous of being fashionably, yet economically, clad.

COLLEGIAN CLOTHES

are on an even plane with tailored-to-order clothes at double the price we ask.

Important Notice

To

Bankers, Merchants, Manufacturers and Residents.

A complete up-to-date Metropolitan City Directory is now being compiled under expert direction, exclusively for La Grande. It will not embrace other portions of the county. La Grande is large enough, prosperous enough and sufficiently important to demand an up-to-date City Directory. Other cities of less importance and smaller population in Oregon have theirs. Why not La Grande?

The New Directory will contain accurate information of all character appertaining to this City; in other words, it will be a complete Directory containing the names of every resident of La Grande, showing his or her occupation together with their specific place of business and residence.

The publishers will place this valuable work upon the market at the low price of \$1.50 by subscription only. Business men will readily recognize the great value of using the La Grande Directory as a most profitable advertising medium.
