

Toilet Art

There is no part of the human body that will show the ravages of time or the effect of neglect quicker than the skin of the face and hands. There is no part of the body, however, that will so surely reward rational care as the skin of the face and hands. We are now showing the best line of cold creams and toilet lotions. Our Almond Cucumber Cream for rough skin, our Buttermilk Cerate and Cold Cream for sunburn, tan, and scaly faces and our Freckle Cream for the freckles which come at this time will help you out of all your troubles of this kind. Important Notice To

Bankers, Merchants, Manufacturers and Residents.

A complete up-to-date Metropolitan City Directory is now being compiled under expert direction, exclusively for La Grande. It will not embrace other portions of the county. La Grande is large enough, prosperous enough and sufficiently important to demand an up-to-date City Directory. Other cities of less importance and smaller population in Oregon have theirs. Why not La Grande?

The New Directory will contain accurate information of all character appertaining to this City; in other words, it will be a complete Directory containing the names of every resident of La Grande, showing his or her occupation together with their specific place of business and residence.

The publishers will place this valuable work upon the market at the low price of \$1.50 by subscription only.

Business men will readily recognize the great value of using the La Grande Directory as a most profitable advertising medium.
