Saved Child From Death.

"After our child had suffered from severe bronchial trouble for a year," wrote G. T. Richardson, of Richardson's Mills, Ala., "we feared it had consumption. It had a bad cough all the time. We tried many remedies without avail, and doctor's medicine seemed as useless. Finally we tried Dr. King's New Discovery, and are pleased to say that one bottle effected a complete cure, and our child is again strong and healthy." For coughs, colds, hoarseness, lagrippe, asthma, croup and sore lungs, it's the most infallible remedy that's made. Price 50c and \$1.00. Trial bottle free. Guaranteed by all druggists.

Lame back is usually caused by rheumatism of the muscles of the back for which you will find nothing better than Chamberlain's Liniment. For sale by all dealers.

S.S.S. PURELY VEGETABLE

The absolute vegetable purity of S.S.S. has always been one of the strongest points in its favor, and is one of the principal reasons why it is the most widely known and universally used of all blood medicines. A great many of the so-called blood purifiers are really nothing more than strong mineral mixtures which act so unpleasantly and disastrously on the delicate membranes and tissues of the stomach and bowels, that even if such treatment purified the blood, the condition in which the digestive system is left would often be more damaging to the health than the original trouble. Not so with S.S.S.—it is the greatest of all blood purifiers, and at the same time is an absolutely safe and harmless remedy. It is made entirely of the healing and cleansing extracts and juices of roots, herbs and barks, each of which is in daily use in some form by physicians in their practice. Years of work and research have proven S.S.S. to contain everything necessary to purify the blood and at the same time supply the system with the purest and best tonic effects. S.S.S. cures Rheumatism, Catarrh, Sores and Ulcers, Skin Diseases, Scrofula, Contagious Blood Poison and all other blood troubles, and it leaves the system in perfect condition when it has purified the blood. Book containing much valuable information on the blood and any medical advice desired sent free to all who write.

Important Notice To

Bankers, Merchants, Manufacturers and Residents.

A complete up-to-date Metropolitan City Directory is now being compiled under expert direction, exclusively for La Grande. It will not embrace other portions of the county. La Grande is large enough, prosperous enough and sufficiently important to demand an up-to-date City Directory. Other cities of less importance and smaller population in Oregon have theirs. Why not La Grande?

The New Directory will contain accurate information of all character appertaining to this City; in other words, it will be a complete Directory containing the names of every resident of La Grande, showing his or her occupation together with their specific place of business and residence.

The publishers will place this valuable work upon the market at the low price of \$1.50 by subscription only.

Business men will readily recognize the great value of using the La Grande Directory as a most profitable advertising medium.
