**PAVEMENT LAID AT MODERATE
COST.**

City Engineer of Portland Finds Solution of Difficult Problem.

City Engineer T. M. Hurlburt believes he has at last arrived at a solution of how to give property owners durable pavements at a moderate cost. Such a pavement has just been laid on Kearney street between Fifteenth and Twenty-fifth streets and property owners who fought every effort to pay that street on account of what they deemed the excessive prices asked by the standard paving companies have expressed themselves as being entirely satisfied with the work.

The pavement mentioned is the well known bitulithic. The Kearney street pavement is declared by the city engineer to be as good as any ever laid here and it has been put down at a saving of nearly 40 per cent when the fact that there was no charge for excavation is considered.

The explanation of the reduced cost is that the old macadam base of the street has been used as a foundation for the bitulithic. Heretofore standard bitulithic has been laid on a base of crushed rock and in cases where the streets were covered with old macadam, the property owners had to pay for the removal of the macadam and also for the new crushed rock base.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Address P. J. CHENEY & CO., Toledo, Ohio. Sold by all Druggists. Beware of cheap imitations. Take Hall's Family Pills for constipation.
