Important Notice
To
Bankers, Merchants, Manufacturers and Residents.

A complete up-to-date Metropolitan City Directory is now being compiled under expert direction, exclusively for La Grande. It will not embrace other portions of the county. La Grande is large enough, prosperous enough and sufficiently important to demand an up-to-date City Directory. Other cities of less importance and smaller population in Oregon have theirs. Why not La Grande?

The New Directory will contain accurate information of all character appertaining to this City; in other words, it will be a complete Directory containing the names of every resident of La Grande, showing his or her occupation together with their specific place of business and residence.

The publishers will place this valuable work upon the market at the low price of \$1.50 by subscription only.

Business men will readily recognize the great value of using the La Grande Directory as a most profitable advertising medium.

Tragedy in a Clock.
Hogan was late at work several times and was advised to buy an alarm clock. It worked finely for a time until one of the kids got to monkeying with it and took it apart. When it was put together again it wouldn't run.
Hogan couldn't understand it, on account of past performances, and did a little dissecting on his own account. When he opened the clock he found the remains of a large insect mixed up with the machinery.
"No wonder it won't run," he said to his wife. "The engineer is dead."—Chicago Post.

A Transposition.
"There is one thing I cannot understand," said the student of theology. "What is that?"—Inquired the professor.
"Why Moses, the lawgiver, should be called the meekest of men, while Solomon, with hundreds of wives, was called the wisest."—Washington Star.

Money.
"Say, pop, what is money?"
"Money, my son, is the root of all evil—that is to say, with it you can buy a wife or keep expensive bachelor apartments. No matter which one you choose, you'll wish you had the other."—Philadelphia Record.

Many owe what health they have to the unquenchable flame that burns undimmed in the faculty of hope.—Walter De Voe

It Startled the World
when the astounding claims were first made for Bucklen's Arnica Salve, but forty years of wonderful cures have proved them true, and everywhere it is now known as the best salve on earth for burns, boils, scalds, sores, cuts, bruises, sprains, swelling, eczema, chapped hands, fever sores and piles. Only 25c at all druggists.

The University of Vermont baseball team has a crackerjack pitcher in "Jake" Malcolm. The chances are that Connie Mack has a scout trailing that pitcher right now.

When we say that we have practiced dentistry in La Grande for five years we say that we have pleased thousands of people in the matter of taking care of their wants pertaining to this profession. The man who establishes himself on a basis of a square deal and proficiency in his work or profession has as permanent an establishment as the man who owns a ranch of Grande Ronde land. Our aim is to please the public, and satisfy the small voice we call conscience.
DR. STEVENSON

Now is the time to get rid of your rheumatism. You can do it by applying Chamberlain's Liniment and massaging the parts freely at each application. For sale by all dealers.
