"Man of Mystery" Is Big Attraction at Hot Lake This Week.

Hot Lake, May 27—(Special)—Much entertainment is provided the sanatorium guests these days by William Rees, the man of mystery who performs for the edification of the guests every evening. His trunk and manacle tricks are invariably greeted with much praise. He has a sprinkling of new "stunts" that come well up in the rank of Hindu mysteries. His work is rapid and always mystifying and especially interesting because of its newness. Last evening a large audience saw the mysterious one perform and all united in giving him warm praise for his clever tricks.
