ROYAL ANNS ARE CONTRACTED FOR

CALIFORNIA CANNERY FIRM BUYS OUTPUT.

Greater Portion of Valley's Crop Contracted for This Week.

About all the Royal Ann cherries of this side of the valley and goodly portions of the Cove district were contracted for the past few days by a California association of canneries. The representative of that firm was brought here by Dave Clark, and the contracts call for cherries at a price that is very satisfactory to the growers. Mr. Clark states that these cherries will be canned for an extra particular trade and that the buyers want only the very finest grade which is further testimonial that the Grande Ronde produces the best cherries in the world, for this is the point where the particular buyers get what they want.

Saved Child From Death.

"After our child had suffered from severe bronchial trouble for a year," wrote G. T. Richardson, of Richardson's Mills, Ala., "we feared it had consumption. It had a bad cough all the time. We tried many remedies without avail, and doctors medicine seemed as useless. Finally we tried Dr. King's New Discovery, and are pleased to say that one bottle effected a complete cure, and our child is again strong and healthy." For coughs, colds, hoarseness, lagrippe, asthma, croup and sore lungs, it's the most infallible remedy that's made. Price 50c and \$1.00. Trial bottle free. Guaranteed by all druggists.
